### SALEM SCHOOL DISTRICT

### Arkansas Comprehensive School Improvement Plan

### 2008-2009

Approved: 05/01/2009 3:14 PM

It is the mission of the Salem Schools to educate all students in a safe environment. Our school will provide a challenging curriculum promoting higher-order thinking skills, technology skills, and problem-solving abilities through relevant and engaging activities. We will provide the experiences necessary for all students to become responsible citizens.

Grade Span: Title I: Title I Schoolwide School Improvement:

#### Table of Contents

##### Priority 1: Federal Support

**Goal:** To improve academic achievement and school environment for all students, including students that are considered from a low socio-economic background.

##### Priority 2: Safe and Drug Free Environment

**Goal:** To reduce the percentage of Salem students using tobacco products (in all forms) and alcohol; to make students aware of choices that they have regarding any drug usage.

##### Priority 3: Wellness

**Goal:** The district will provide educational opportunities for students in making healthy lifestyle choices by implementing activities to aid in decreasing the average BMI on the annual student screening.

Priority 1: To provide administrative support using state and federal funds.
