Arkansas Professional Pathway to Educator Licensure (APPEL) Program

Each employee newly hired by the district to teach under the Arkansas Professional Pathway to Educator Licensure (APPEL) Program shall initially be placed on the salary schedule in the category of a bachelor's degree with no experience, unless the APPEL program employee has previous teaching experience which requires a different placement on the schedule. Upon receiving his/her initial or standard teaching license, the employee shall be moved to the position on the salary schedule that corresponds to the level of education degree earned by the employee which is relevant to the employee's position. Employee's degrees which are not relevant to the APPEL program's position shall not apply when determining his/her placement on the salary schedule. A teacher with a non-traditional provisional license shall be eligible for step increases with each successive year of employment, just as would a teacher possessing a traditional teaching license.

Licensed employee, seeking additional area or areas of licensure

Licensed employees who are working on an ALP to gain licensure in an additional area are entitled to placement on the salary schedule commensurate with their current license, level of education degree and years of experience. Degrees which are not relevant to the employee's position shall not apply when determining his/her placement on the salary schedule.

Insurance

Districts shall distribute funding for health insurance coverage in accordance with state law, the Affordable Care Act, and policy 7.23-Health Care Coverage and the Affordable Care Act. The District reserves the right to adjust the monthly distribution as necessary to account for changes in staffing, student population, and the ADE determination of the funding required to be distributed based on the funding matrix. Specifically, the amount distributed to each employee is NOT part of their salary and is NOT guaranteed to be the same from month-to-month or year-to-year.

(President, Guy B. Smith)
