

Bus 41 (The Fish Bus)

Driver - Shaun Windsor

SNOW ROUTE INFORMATION

This will be the tentative plan when the District announces that buses will be running SNOW ROUTES ONLY. Please keep in mind that times can vary depending on what gets cleared and how many stops there are on the paved roads.

I will be using Remind to send out any communications we need to the parents of any changes or updates to this plan. You may receive, or already received a text message from Remind about this. Please follow the instructions to join and receive notifications from us. **If anyone not in the original list sent out who wants to get notifications, you can Text the message @salembus41 to the number 81010. Or go to <http://rmd.at/salembus41> to sign up. More information is on the back of this page.**

For students who normally get picked up on Highway 289, nothing will change and they will still get picked up and dropped off at normal locations. Times for these stops should be pretty close to normal times as well, both in the mornings and afternoons.

The current plan for students whose stop is not directly on Hwy 289 is as follows:

Enterprise and Pavillion in Horseshoe Bend: We will pick up and drop off at the 'Around the Bend' store on 289. AM pickup time: ~ 7:10am. PM drop off time: ~ 3:20pm

Everyone else (Behind Hillbilly U-Pump and Heart Rd.): We will pick up and drop off at the Post Office in Glencoe. AM pickup time: ~ 7:20am. PM drop off time: ~ 3:30pm.

Please sign up for the Remind notifications and if you use the Remind app, you can use it to communicate directly with me.
